

FOUNDER–COO AGREEMENT

PulseDNA, Inc.

Founder & Chief Executive Officer: **Stephanie Joyce**

Chief Operating Officer: **Loïc Fournillier**

Effective Date: January 20, 2026

Term: At-will, subject to milestone-based performance and vesting

1. PURPOSE OF THIS AGREEMENT

This Founder–COO Agreement (“Agreement”) defines the roles, responsibilities, performance expectations, equity participation, vesting terms, intellectual property ownership, confidentiality obligations, and termination conditions applicable to the Chief Operating Officer (“COO”) of PulseDNA, Inc. (“Company”).

The purpose of this Agreement is to ensure operational clarity, accountability, and alignment in building and maintaining the Company’s operational, administrative, and go-to-market functions, including but not limited to team development, process optimization, and repeatable customer acquisition and delivery.

This Agreement supersedes and replaces any prior oral or written understandings relating to the COO role.

2. ROLE AND RESPONSIBILITIES OF COO

The COO agrees to perform the following duties in a professional, timely, and commercially reasonable manner:

- Build and manage the Company’s operational infrastructure and processes
- Recruit, onboard, and supervise a **15-person offshore operations team**
- Establish and manage five (5) operational sites, ensuring compliance and efficiency

- Maintain and optimize operational expense (OPEX) efficiency across teams and operations
 - Develop and execute a repeatable go-to-market (GTM) process, including onboarding at least one client and validating the product roadmap
 - Maintain clear, reproducible documentation of operational processes, procedures, and organizational structure
 - Provide weekly written status updates outlining progress, risks, blockers, and timelines
 - Communicate promptly and professionally on all operational matters
 - Support integrations, client demos, and internal operational reporting as reasonably requested
 - Follow Company-approved standards for operational tools, reporting, and record-keeping
-

3. PROFESSIONAL CONDUCT AND STANDARDS

The COO agrees to maintain professional conduct at all times, including:

- Business-appropriate communication
- Clear separation of personal and professional interactions
- Timely responsiveness (generally within forty-eight (48) hours for operational matters)
- Respectful collaboration with leadership and stakeholders
- Strict confidentiality of Company information

Conduct that materially interferes with Company operations, team stability, or investor confidence constitutes grounds for corrective action or termination.

4. COMPENSATION AND EQUITY

4.1 Equity Eligibility

Subject to Board approval and execution of applicable equity documents, the COO is eligible to earn **up to ten percent (10%) of the Company's fully diluted common equity**, earned entirely through milestone-based vesting.

- Initial milestone-based allocation: **4%**
- Additional equity: **up to 6%** based on achievement of subsequent milestones
- **No equity is vested at signing**

4.2 Vesting Schedule

- Four (4) year vesting schedule
- One (1) year cliff
- Vesting occurs only upon successful completion and acceptance of defined milestones
- Failure to meet milestone requirements pauses vesting until resolved or terminated

4.3 Milestone-Based Equity Release

Milestone	% Equity	Requirements	Target
Milestone 1 – Build Offshore Team	2%	Recruit and onboard 15-person offshore operations team	End of Q2
Milestone 2 – Operational Sites	1%	Successfully establish five (5) operational sites with documented SOPs	End of Q3
Milestone 3 – OPEX Efficiency	1%	Demonstrated operational expense efficiency across teams	End of Q4

Milestone 4 – Repeatable GTM	1%–3%	One client fully onboarded; product roadmap validated	End of Q4
-------------------------------------	-------	---	-----------

Total potential equity: Up to **10%** if all milestones are successfully completed.

Milestone Timing & Dependency Flexibility

Failure to complete a milestone within thirty (30) days of its target date **shall not, by itself, constitute grounds for forfeiture** if such delay is materially caused by factors outside the COO’s reasonable control, including but not limited to Company funding status, product readiness, engineering dependencies, sales cycles, customer procurement timelines, or Board-directed changes in Company priorities.

In such cases, the Company and the COO shall **in good faith review and adjust milestone timelines** as appropriate. The Company retains discretion to suspend or modify vesting **only in cases of material non-performance, lack of good-faith effort, or failure to make reasonable progress once blocking conditions are resolved.**

5. PERFORMANCE FAILURE AND NON-COMPLIANCE

The Company may suspend vesting or terminate the COO role for material non-performance, including but not limited to:

- Repeated missed deadlines without adequate notice
 - Failure to deliver agreed milestones
 - Inadequate documentation or handoff
 - Persistent unresponsiveness
 - Conflicts of interest
 - Misrepresentation of progress or deliverables
 - Abandonment of responsibilities
-

6. UNVESTED EQUITY REVERSION

Upon termination for any reason, all unvested equity automatically reverts to the Company.

Any repurchase of unvested shares shall occur at the original issue price or the minimum price permitted by law.

7. INTELLECTUAL PROPERTY ASSIGNMENT

All work product created by the COO in connection with the Company, including but not limited to operational processes, documentation, SOPs, and trade secrets, is and shall remain the exclusive property of PulseDNA, Inc.

The COO agrees to:

- Assign all right, title, and interest in such intellectual property to the Company
- Execute any additional documents reasonably necessary to perfect ownership

No intellectual property may be retained, reused, or disclosed following termination.

8. CONFIDENTIALITY

The COO agrees to maintain strict confidentiality of all Company information, including but not limited to:

- Operational playbooks, SOPs, and processes
- Product roadmaps
- Business plans
- Investor communications
- Customer and government relationships

These obligations survive termination indefinitely.

9. ACCESS, SECURITY, AND CONTROL

The COO agrees to:

- Use Company-approved operational systems and tools
- Maintain shared administrative access to operational records
- Avoid locking, restricting, or withholding access
- Follow best practices for operational and data security
- Document all processes, deployments, and credentials

All operational assets must remain accessible to the Company at all times.

10. TERMINATION

The Company may terminate this Agreement and the COO role at any time, with or without cause.

Upon termination:

- Unvested equity reverts to the Company
 - Intellectual property remains Company property
 - Access credentials must be transferred within seventy-two (72) hours
 - The COO must cease representing the Company
-

11. MISCELLANEOUS

- Governing Law: State of Delaware

- Amendments: Must be in writing and signed by both parties
- Severability: Invalid provisions do not affect the remainder
- No Guarantee of Employment: This Agreement does not guarantee continued engagement

12. ACCEPTANCE

By signing below, both parties acknowledge that they have read, understood, and voluntarily agree to the terms of this Agreement.
